\* The expenditure from Loans has been classified in this table under the headings made use of in the Schedules to the various Loan Acts, this being the method adopted by the Treasury. Information as to the total amount actually spent under some headings of Expenditure is consequently not obtainable, certain items being included under the indefinite heading "Development of Goldfields and Mineral Resources." "Electric Telegraphs" and "Water Supply and Sewerage" are probably most affected by this classification.

## XI.—INDUSTRIAL ESTABLISHMENTS

### (EXCLUSIVE OF MINES).

No. 41.—*Number of Industrial Establishments (exclusive of Mines) in Western Australia from which Returns were received under the provisions of the Industrial Statistics Act, and the number of Males and Females employed in such Establishments for each of the Two years 1904 and 1905.*

NOTE.—The Industrial Establishments here dealt with are those which come under the definition given in the Industrial Statistics Act, each being a "factory, workshop, or mill, where either four persons or more have been employed at any one time during the year, or where an engine driven by steam, gas, oil, or electricity has been used, whatever be the number of persons employed."

Class of Industry.	1904.				1905.			
	No. of Establishments.	* Persons employed.			No. of Establishments.	* Persons employed.		
		Males.	Females.	Total.		Males.	Females.	Total.
I. Treating Raw Material, the product of Pastoral Pursuits, or Vegetable Products not otherwise specified	6	77	1	78	4	62	..	62
